

SBA-2.3DS/2475

Blade Antenna

Key Features:

- Dual port MIMO antenna
- Omni directional coverage
- Rugged and compact aerodynamic design
- High inter-port isolation

ELECTRICAL

Frequency:	2.2 to 2.5 GHz
Gain:	1.5 dBi Typ.
Polarisation:	Dual linear
Coverage:	Omni directional
Isolation:	>20 dB
VSWR:	<2.2:1
Power Rating:	10 W

MECHANICAL

Standard Finish:	White
Mass:	60 g / 2.1 oz
Temperature:	-20 to +70°C

NOTES

*Total radiated power derived from combined energy from two orthogonal polarisations.

Full radiation patterns and CAD available on request

DS: 2475-2

Issued: 250521

Dimensions: mm [inches]
